Our Mission
The Institute of Catholic Culture is an adult catechetical organization, faithful to the Magisterium of the Catholic Church, and dedicated to the Church’s call for a new evangelization. The Institute seeks to fulfill its mission by offering educational programs structured upon the classical liberal arts, and by offering opportunities in which authentic Catholic culture is experienced and lived.

Much more than a series of speakers, the Institute offers an organic education in the Catholic faith, introducing attendees to the glorious story of God’s work among men. Each ICC program, presented live in the Northern Virginia/Washington D.C. Metro area or via webinar, is also posted in our website library and available on demand.

Visit our website for over 800 hours of educational hours in Audio/video!
